Dear Mayor Molnar:

The Royal Canadian Legion Varnavair Branch 153 is the proud owner of a 1943 40mm MK 1X Anti -Aircraft Gun. Due to the age of this piece of history, it is in dire need of repair.

We have received a quote of \$13,571.30 from Verellen Farm and Auto of Thamesville for the restoration, and a quote from Courtland Trucking for round trip transportation of \$1720.00. At this time, we are raising funds to cover the cost of this project. We are approaching the Town of Tillsonburg to see if there are funds available to assist with this project.

Once the restoration is complete, we plan to erect a plaque to recognize all who contributed to the project.

Could you possibly let us know by October 31, 2019 if you are able to assist the Tillsonburg Legion. Should you have any questions, please do not hesitate to contact me at 519-842-5281 or 519-688-5189. We look forward to hearing from you.

Yours In Remembrance,

Don Burton  
Poppy Chairman
