

**THE CORPORATION OF THE TOWN OF TILLSONBURG  
BY-LAW 4348**

**A BY-LAW TO AUTHORIZE THE SUBMISSION OF AN APPLICATION TO ONTARIO INFRASTRUCTURE AND LANDS CORPORATION (“OILC”) FOR FINANCING CERTAIN ONGOING CAPITAL WORK(S) OF THE CORPORATION OF THE TOWN OF TILLSONBURG (THE “LOWER-TIER MUNICIPALITY”); TO AUTHORIZE TEMPORARY BORROWING FROM OILC TO MEET EXPENDITURES IN CONNECTION WITH SUCH CAPITAL WORK(S); AND TO AUTHORIZE LONG-TERM BORROWING FOR SUCH CAPITAL WORK(S) THROUGH THE ISSUE OF DEBENTURES BY THE COUNTY OF OXFORD (THE “UPPER-TIER MUNICIPALITY”) TO OILC**

**WHEREAS** the Municipal Act, 2001 (Ontario), as amended, (the “Act”) provides that a municipal power shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

**AND WHEREAS** the Council of the Lower-tier Municipality has passed the by-law(s) enumerated in column (1) of Schedule “A” attached hereto and forming part of this By-law (“Schedule “A”) authorizing the capital work(s) described in column (2) of Schedule “A” (the “Capital Work(s)”) in the amount of the respective estimated expenditure set out in column (3) of Schedule “A”, subject in each case to approval by OILC of the financing for such Capital Work(s) requested by the Lower-tier Municipality in the Application as hereinafter defined;

**AND WHEREAS** before the Council of the Lower-tier Municipality approved the Capital Work(s) in accordance with section 4 of Ontario Regulation 403/02 (the “Regulation”), the Council of the Lower-tier Municipality had its Treasurer calculate an updated limit in respect of its then most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing (as so updated, the “Updated Limit”), and, on the basis of the authorized estimated expenditure for the Capital Work or each Capital Work, as the case may be, as set out in column (3) of Schedule “A” (the “Authorized Expenditure” for any such Capital Work), the Treasurer calculated the estimated annual amount payable in respect of the Capital Work or each Capital Work, as the case may be, and determined that the estimated annual amount payable in respect of the Capital Work or each Capital Work, as the case may be, did not cause the Lower-tier Municipality to exceed the Updated Limit, and accordingly the approval of the Local Planning Appeal Tribunal pursuant to the Regulation, was not required before any such Capital Work was authorized by the Council of the Lower-tier Municipality;

**AND WHEREAS** subsection 405(1) of the Act provides, amongst other things, that a municipality may authorize temporary borrowing to meet expenditures made in connection with a work to be financed in whole or in part by the issue of debentures if, the municipality is a lower-tier municipality in a regional municipality and it has approved the work and the upper-tier municipality has approved the issue of debentures for the work;

**AND WHEREAS** subsection 401(1) of the Act provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

**AND WHEREAS** subsection 401(3) of the Act provides that a lower-tier municipality in a regional municipality does not have the power to issue debentures and accordingly the Lower-tier Municipality intends that the Upper-tier Municipality will issue debentures in respect of the Capital Work(s) and will request that the Upper-tier Municipality do so;

**AND WHEREAS** subsection 403(1) of the Act provides that a by-law of an upper-tier municipality authorizing the issuing of debentures for the purposes or joint purposes of one or more of its lower-tier municipalities may require those lower-tier municipalities to make payments in each year to the upper-tier municipality in the amounts and on the dates specified in the by-law;

**AND WHEREAS** the Act also provides that a municipality shall authorize long-term borrowing by the issue of debentures or through another municipality under section 403 or 404 of the Act and subsection 403(7) of the Act provides that all debentures issued under a by-law passed by an upper-tier municipality under section 403 are direct, joint and several obligations of the upper-tier municipality and its lower-tier municipalities;

**AND WHEREAS** OILC has invited Ontario municipalities desirous of obtaining temporary and long-term debt financing in order to meet capital expenditures incurred on or after the year that is five years prior to the year of an application in connection with eligible capital work(s) to make application to OILC for such financing by completing and submitting an application in the form provided by OILC;

**AND WHEREAS** the Lower-tier Municipality requested the Upper-tier Municipality to issue debentures for the Capital Work(s) and in this connection the Upper-tier Municipality and the Lower-tier Municipality completed and submitted or is in the process of submitting an application to OILC, as the case may be (the "Application") to request financing for the Capital Work(s) by way of long-term borrowing pursuant to section 403 of the Act through the issue of debentures by the Upper-tier Municipality to OILC and by way of temporary borrowing by the Lower-tier from OILC pending the issue of such debentures;

**AND WHEREAS** OILC has accepted and has approved or will notify the Lower-tier Municipality only if it accepts and approves the Application, as the case may be;

**AND WHEREAS** the Upper-tier Municipality has approved the issue of debentures for the Capital Work(s) to OILC in the maximum aggregate principal amount of \$997,600.00 (the "Debentures"); and OILC has indicated that pending the issue of the Debentures it will provide financing by way of temporary advances to the Lower-tier Municipality in respect of the Capital Work(s);

**AND WHEREAS** the Lower-tier Municipality will enter into a financing agreement with OILC pursuant to the terms of which OILC will provide temporary advances to the Lower-tier Municipality in respect of the Capital Work(s);

**NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF TILLSONBURG ENACTS AS FOLLOWS:**

1. The Council of the Lower-tier Municipality hereby confirms, ratifies and approves the execution by the Treasurer of the Application and the submission by such authorized official of the Application, duly executed by such authorized official, to OILC, in cooperation with the Upper-tier Municipality, for the financing of the Capital Work(s) by way of temporary borrowing from OILC, pending the issue of the Debentures, in the maximum aggregate principal amount of \$997,600.00 substantially in the form of Schedule "B" hereto and forming part of this By-law, with such changes thereon as such authorized official may hereafter approve, such execution and delivery to be conclusive evidence of such approval.
2. The Mayor and the Treasurer are hereby authorized to negotiate and enter into, execute and deliver for and on behalf of the Lower-tier Municipality a financing agreement (a "Financing Agreement") with OILC that provides for temporary borrowing from OILC under the authority of this By-law in respect of the Capital Work(s) on such terms and conditions as such authorized officials may approve, such execution and delivery to be conclusive evidence of such approval.
3. The Mayor and/or the Treasurer are hereby authorized, pending the substantial completion of the Capital Work or of each Capital Work, as the case may be, or as otherwise agreed with OILC, to make temporary borrowings pursuant to section 405 of the Act in respect of the Capital Work or of each Capital Work, as the case may be, on the terms and conditions provided in the Financing Agreement which Financing Agreement provides that the information contained in the Record, as defined in the Financing Agreement, in respect of such temporary borrowings shall be deemed final, conclusive and binding on the

Lower-tier Municipality, and on such other terms and conditions as such authorized officials may agree; and the Treasurer is authorized to sign such certifications as OILC may require in connection with such borrowings in respect of the Capital Work(s); provided that the amount of borrowings allocated to the Capital Work or to each Capital Work, as the case may be, does not exceed the Authorized Expenditure for such Capital Work and does not exceed the related loan amount set out in column (4) of Schedule "A" in respect of such Capital Work.

4. In accordance with the provisions of section 25 of the Ontario Infrastructure and Lands Corporation Act, 2011, as amended from time to time hereafter, the Lower-tier Municipality is hereby authorized to agree in writing with OILC that the Minister of Finance is entitled, without notice to the Lower-tier Municipality, to deduct from money appropriated by the Legislative Assembly of Ontario for payment to the Lower-tier Municipality, amounts not exceeding the amounts that the Lower-tier Municipality fails to pay to OILC on account of any unpaid indebtedness of the Lower-tier Municipality to OILC under any outstanding temporary borrowing and/or the Debentures, as the case may be (the "Obligations") and to pay such amounts to OILC from the Consolidated Revenue Fund.
5. For the purposes of meeting the Obligations, the Lower-tier Municipality shall provide for raising in each year as part of the general lower-tier levy the amounts of principal and interest payable in each year under any outstanding temporary borrowing and/or any Debenture outstanding pursuant to the Financing Agreement, to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
6. a) The Mayor and/or the Treasurer are hereby authorized to enter into, execute and deliver the Financing Agreement, one or more of the Clerk and the Treasurer are hereby authorized to generally do all things and to execute all other documents and papers in the name of the Lower-tier Municipality in order to perform the Obligations of the Lower-tier Municipality under the Financing Agreement, to request and receive any temporary borrowing, and the Treasurer is authorized to affix the Lower-tier Municipality's municipal seal to any such documents and papers.  
  
b) The money realized in respect of any temporary borrowing for the Capital Work(s) and the Debentures, including any premium, and any earnings derived from the investment of that money after providing for the expenses related to any such temporary borrowing and to the issue of the Debentures by the Upper-tier Municipality, if any, shall be apportioned and applied to the respective Capital Work and to no other purpose except as permitted by the Act.
