Name of Group or Person(s) being represented (if applicable)
Hickory Hills Residents Association (H.H.R.A.)

I acknowledge Delegations are limited to fifteen (15) minutes each. *

☑ I accept
**Brief Summary of Issue or Purpose of Delegation**

Hickory Hills residents have noticed a significant increase in traffic volume, noise and exceeding the posted speed limits on Wilson Ave. which is the main road running through our senior community of 437 homes. The bulk of this increase in traffic volume is coming from new development(s) west of Wilson Ave. The adjoining community residents are primarily using Dereham Dr, east, to Wilson Ave. as a shortcut for commuting to and from work, as well as access to shops and other amenities along Broadway, Tillson Ave. and Simcoe St.

The increase in commuter traffic now also includes an increase in commercial vehicles, school buses and mid size trucks etc. We've noticed a significant increase in both noise levels and speed, as drivers rush through this senior community to their destinations. The health and safety of both Hickory Hills residents and those in adjoining communities is at high risk. As responsible citizens, we appreciate the opportunity and look forward to addressing and working with the Mayor and Councillors to arrive at a mutually acceptable solution to this growing problem.

Our objective is to manage and reduce the volume of traffic, increased noise levels and excessive speed, and in doing so, avoid the risk of injuries and/or worse, while maintaining the quality of life in Hickory Hills and adjacent residential communities. Thank you.
