

HELPING HAND FOOD BANK

To: Tillsonburg Town Council Members

As most of you know by now, Helping Hand Food Bank has found itself in a position that we had to find a new location. After an exhausting search, we have just recently signed a long term contract at a new location, Father Langan Centre (formerly St.Mary's School), beside the Roman Catholic Church in Tillsonburg.

The HHFB Board feels this is a great location for our clients and it will allow us to serve our most valuable neighbours and make sure no one goes hungry.

With the above stated, in order to function at our new location we have to contract construction work. Being a non for profit Charitable organization and relying 100% on donations, we the HHFB Board are asking the town to forgive our permit fees.

Please consider our position and request.

Sincerely,

Tom Langrell HHFB Chair, and the HHFB Board of Directors
