I would like to complete this delegation on March 27th, 2023 council meeting.

The Oxford County Pride Committee is dedicated to diversity, inclusion and equity. A component of our work focus is ensuring that Oxford County is a safe place for the 2slgbtqai+ community. Our goal is to create and promote social, recreational, leisure, events and opportunities for the 2slgbtqai+ individuals and families. In doing so we aim to eliminate hate, discrimination, homophobia, and transphobia in Oxford County. A significant component of our work includes advocacy and visual components of inclusion thus progress flag raising June 1st annually, and progress rainbow crosswalks throughout the county. Given the significant increase in hate crimes committed in Tillsonburg in June 2022 specifically aimed at the s2lgbtqai+ community the Pride committee is committed to increasing awareness and education in your area to focus on decreasing homophobia and or attacks of any kind towards the 2slgbtqi+. It is essential that individuals in positions of power and privilege's model the behaviour we want from others specifically in the areas of diversity, equity and inclusion. As you are aware our committee has raised funds throughout the past resulting in the endorsement of painting of 3 crosswalks in Oxford County 2-Town of Ingersoll, and 1-City of Woodstock. The Oxford County Pride committee is proposing to work with the Town of Tillsonburg, and the Tillsonburg BIA to install a progress flag crosswalk in Tillsonburg, ideally the summer/fall of 2023 (Depending on fundraising). It is the Prides Committee's objective to implement progress flag crosswalks throughout Oxford County endorsing diversity, inclusion, equity, safety, security and unity for the 2slgbtqai+ community of Oxford. In closing, we look forward to presenting to Tillsonburg council to discuss this opportunity further and provide more information and clarify any questions you may have. Thank you (As noted I am seeking to speak the evening of March 27, 23 meeting).
