It is encouraged to supply sufficient information regarding your delegation for inclusion on the public meeting agenda, including any requests for action on the subject matter. Details of the purpose of the delegation: *

Issue: The request for parkland or cash in Lieu thereof for a development located in the Bridges Golf Club property which is already zoned as Open Space. This site already provides the land for the Taboggan Hill. This hill has already been relocated and redesigned as part of the Development at a cost of \$95,000.00 to the Developer. Then land owners are also providing the use of the Clubs parking lot for users of the Taboggan Hill in order that the users of the facility will be taking children out and in of their cars without the danger of the children being hit by cars as opposed to the risk they faced on Baldwin Street. In spite of the cost of the redesign of this area the Development Agreement is not allowing for the cost of the redesign against the cash in lieu of land requirement in the agreement. This golf course is also the location for the Carroll Trail which is part of the 17.5 Km walking trail around Tillsonburg. This presentation will be done by Kirby Heckford and Pat Carroll.
