Dear Mayor and Council Members

We are writing regarding Property Standards By-law 2023-049 Section 3.04(1). Our concern relates to the lack of short forming of this section for the purpose of ticketing.

There is a benefit to all Tillsonburg residents that the Property Standards By-law is quickly and efficiently enforced.

We are asking that you undertake the improvement of operational effectiveness by short forming this section of the By-law and we welcome a meeting between the HHRA Board and Council to discuss this matter.

Regards
