Attention: Mayor Steve Molnar and members of council

I would like to take this time to thank you for giving us the opportunity to present at council for funding to help our 165th Tillsonburg Fair celebrate another milestone in the history of hosting this fair. This is another great accomplishment for our Fairboard and its volunteers as we are 100% volunteer-based group that continues to put our heart and soul into the fair in hopes to keep it continuing for years to come.

I would like to thank Mayor Steve Molnar and council for your words of wisdom, support, and helpful advice for us when presenting in the future and it was a great learning opportunity for us. We will take your advice back to the board.

Moving forward and future requests for funding we are now aware to add all costs and income, not just what was received in year past. Focus will be on the big picture. We also now are aware that the request dollars should have been added to our projected income and projected expenses should have reflected the extra events we would like to have at our 165th Tillsonburg Fair in celebration for this milestone.

The request of \$25,00.00 was for the 165th Tillsonburg Fair and if approved to bring in extra entertainment and venues to help celebrate the Tillsonburg Fair meeting this next milestone and having the town behind us in this in this achievement. Below is a list of venues we are current looking at and have received quotes:

- Monster Truck Show for Saturday \$10,000.00
- Monster Truck ride truck only \$2500
- Educational Trailer, camel, kangaroo and pony rides \$2400.00
- Midway to bring in extra rides \$4000.00 (10 coming would like to request 3-4 more)
- Games on Wheels Trailer \$7200.00
- Wiener dog show \$500.00
- Cindy Cook-Polka Dot Door for children show \$1100.00 all inclusive (HST and travel) or With MY mascot performer the daily fees would be an \$1500.00 for 2 days
- Air Bounce Inflatables \$3000.00
- Comic Con gaming station and celebrates (2 surprise guests) \$5500.00
- Great Canadian Lumberjacks \$10,000.00

With several midways and Fair closing or downsizing we at the Tillsonburg Fair hope for more

Years to come and continue to rebuild the Fair and all it has to offer historical and educational and continue to build on Agricultural and most importantly a place for families to come and enjoy time together and build memories.

Thanks
Rosemary Dean
