Att: Tillsonburg Town Council,
200 Broadway St., Tillsonburg ON

Dear Mayor Molnar, Councillors- Beres, Esseltine, Parker, Luciani, Gilvesy, Rosehart

The Board of the Station Arts Centre would recommend the following to address deficiencies cited at 41 Bridge St. W., Tillsonburg:

1. Reduce the basement footprint by permanently closing off the required square metres to bring it under the threshold to meet code.
2. Use the lower level solely for storage.
3. Invest in expanding the facility on Town property to adequately house classroom/meeting space & pottery studio.

Respectfully,

A handwritten signature in black ink, appearing to read "G. Connor".
