RECOMMENDATION

THAT Council receives Report 19-04 Bayham Automatic Aid Agreement;

AND THAT By-Law No. 4301 to Authorize an Automatic Aid Agreement be brought forward for Council consideration;

AND THAT By-Law 3442 be repealed in its entirety.

BACKGROUND

The Municipality of Bayham approached the Tillsonburg Fire Department to propose an up to date Automatic Aid Service Agreement. The former agreement was passed in August of 2010 and contained out of date information, in particular the hourly fees charged to Bayham for Tillsonburg Fire Services. The fees charged are in accordance with the Ministry of Transportation (MTO) set published rates and are set out in the current Town's Rates and Fees By-Law. The schedule attached to the proposed agreement now refers to MTO published rates.

The other request from Bayham was to do a boundary line adjustment to the dispatched Area. Tillsonburg Fire Dispatch was provided with the proposed boundary line adjustment and indicated no issues with the adjustment. The draft by-law and map are attached for Council's consideration.

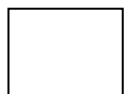

FINANCIAL IMPACT/FUNDING SOURCE

The Municipality of Bayham will continue to pay for automatic aid services at the MTO published rates.
